00:42:00 Nancy Wexler-JAHF: Great to see NYS today! Nancy Wexler, The John A. Hartford Foundation

00:49:15 Jane Carmody The John A. Hartford Foundation: These slides are so great! so helpful

00:49:45 Dora Fisher, HANYS: New York EDs are amazing-- these slides are such a great reminder of that. We are so proud to have all of you among our membership and really excited for you all to take this next step!

00:50:22 Vicky Loretto: Hello from Catholic Health Mercy Hospital of Buffalo

00:52:01 Jane Carmody The John A. Hartford Foundation: Our JAHF President, Dr. Terry Fulmer, is on the board of Basset and proud of the health system!

00:55:59 RuthAnn Craven, HANYS: If you would all like to enter in chat why your ED is pursuing accreditation that would be great information to share!

00:56:45 RuthAnn Craven, HANYS: GEDA was developed by leaders in emergency medicine to ensure that our older patients receive well-coordinated, quality care at the appropriate level at every ED encounter.

00:57:14 Dora Fisher, HANYS: I agree with RuthAnn- would love to hear the motivation or thoughts from our systems while we wait for Kevin.

00:57:34 Joel Gernsheimer Downstate: Joel Gernsheimer, MD, SUNY Downstate, Brooklyn

00:59:14 Vicky Loretto: To better serve our geriatric population and improve outcomes.

00:59:57 Maralyn Militello Eastern Niagara Hospital: Well said Vicky - same here!

01:00:49 RuthAnn Craven, HANYS: That is great Vicki & Maralyn (from Catholic Health Mercy Hospital and Eastern Niagara Hospital)

01:06:02 Laura Stabler, GEDC: Breakout Room Case Studies @ above link

01:10:34 Jane Carmody The John A. Hartford Foundation: Kevin: caregivers are not visitors

01:11:24 Pamela Martin: Geriatric emergency departments are changing the culture of care in EDs for older adults

01:12:31 Jane Carmody The John A. Hartford Foundation: @Pamela. yes!

01:13:57 JGordon Richmond university medical Center: So needed- so excited to take purposeful steps to improve the process for our senior community members...

01:15:07 RuthAnn Craven, HANYS: <https://www.acep.org/globalassets/sites/geda/documnets/geda-criteria.pdf>

01:16:02 Jane Carmody The John A. Hartford Foundation: Also, we recognize ageism is an underlying issue and needs reframing. <https://www.reframingaging.org/>

01:16:54 Jane Carmody The John A. Hartford Foundation: NYS funder partners rock!

01:31:59 NINFA: I had to jump off. Can u send me to my break our room

01:46:18 Dora Fisher, HANYS: Thank you for reporting for group two!

01:51:47 Kevin Biese: Northwell has generated some great data showing that as their ED docs defined goals of care with the patients patient outcomes improved

01:52:28 lebaron: sorry had to hop off for a phone call

01:55:21 RuthAnn Craven, HANYS: See everyone back at 3:10pm everyone!

01:55:59 Jane Carmody The John A. Hartford Foundation: @Kevin...Northwell has figured out "what matters" and how to document and save for each encounter

02:09:14 RuthAnn Craven, HANYS: Link to sample documents on ACEP's website: <https://www.acep.org/geda/sample-documents/>

- 02:26:11 RuthAnn Craven, HANYS: love Pam's Pearls!
- 02:27:04 Milly Glauer Little Falls ED: I have another meeting that I pushed off for this one. I have to go. I look forward to working together. Thank you.
- 02:30:21 Laura Stabler, GEDC: Thanks for your participation Milly
- 02:30:22 Aaron Malsch RN, GEDC: <https://www.acep.org/geda/sample-documents/>

- 02:44:46 RuthAnn Craven, HANYS: <https://www.ncoa.org/article/evidence-based-falls-prevention-programs>
- 02:46:49 Jane Carmody The John A. Hartford Foundation: Thank you, Aaron !
- 02:49:04 Pamela Martin: PT can assist with not just falls in the ED. Vestibular problems, pain (especially back pain) are just 2 others where an ED based PT could assist.
- 02:56:33 Pamela Martin: As we are developing are care signature pathway, we have adding ED observation into the process for after hours
- 02:58:37 Pamela Martin: Also incorporating rehab services and nursing into the screening process. We are having nursing complete AMPAC before ordering PT to ensure that the orders are appropriate.
- 03:04:57 Pamela Martin: If your hospital participates in NICHE then those modules would also count for nursing education.
- 03:06:26 RuthAnn Craven, HANYS: GEDA Level 3 Sample Application

- 03:13:04 Aaron Malsch RN, GEDC: Geriatric ED is the ultimate team sport
- 03:14:30 Pamela Martin: If you have a way to gage physician satisfaction with your program, do it. You might be surprised how these interventions affect your staff.
- 03:17:07 Jane Carmody The John A. Hartford Foundation: Kevin, I was going to ask about the 5th M...elder mistreatment
- 03:17:37 RuthAnn Craven, HANYS: SBH Health System is focusing on elder mistreatment for their QI project!

03:18:51 RuthAnn Craven, HANYS: Thank you all for attending!

03:19:03 Dora Fisher, HANYS: Thank you to our hosts, as well!

03:19:36 Jane Carmody The John A. Hartford Foundation: Thank you!! GEDC and HANYS! and to all for improving emergency care for older adults !

03:20:27 Jane Carmody The John A. Hartford Foundation: Laura, love slide 101

03:20:50 Nancy Wexler-JAHF: Many thanks to our hosts, presenters, and participants. Go New York!

03:21:33 Pamela Martin: I would also ensure that ambulation is attempted in the ED and documented.

03:25:01 Aaron Malsch RN, GEDC: I am so impressed with the fact that each one of you represent your great state with such dedication to improving care for older adults!

03:25:14 Conor Sullivan: GED champions in NY!!!

03:25:35 RuthAnn Craven, HANYS: <https://gedcollaborative.com/HANYS/>

03:26:50 iPhone: Thank You Have a good night

03:29:28 Pamela Martin: I have someone recording a video in my office

03:30:29 Pamela Martin: I think 3 hours is good. I do think there should be more information prior to the case studies but not sure what that needs to be

03:32:20 Pamela Martin: adding in some poll questions might be good also

03:34:30 Pamela Martin: i'm not. Typing in my thoughts as I go

03:35:22 Pamela Martin: What was the feedback from Indian Health Service for this bootcamp?

03:37:12 Pamela Martin: It was be good to see their thoughts before we totally restructure the format. Might be that we have it available in several formats
