

2021 National Acute Care for Elders (ACE) Conference

Friday, November 5, 2021

9:00 am–12:00 pm CST

Virtual- Microsoft Teams Broadcast

Course Director: Michael Malone, MD

Course Learning Objectives:

At the end of this conference, learners should be able to:

1. Identify and address the unique vulnerabilities of older adults who are acutely ill or injured.
2. Describe practice improvements to better address the needs of older individuals along the continuum of care.
3. Describe key lessons learned as our health systems prepare to care for populations of older Americans.

Nursing Learning Outcome: The learners will identify two geriatric principles to implement into their practice.
